

ALTERNATIVE FUELS IN MID-AMERICA FLEET QUESTIONNAIRE

Contact Info (Include Fleet Mailing Address)

What is your fleet's mission? (i.e. student transportation, long-haul freight, municipal sanitation, etc)

How many units do you operate? Please note according to class and/or duty cycle.

What fuel and technology options are you interested in? *(for instance: electric for light duty or bus or terminal truck; propane for shuttle, bus or delivery; CNG for utility, sanitation or trucking; or some combination)*

Are you interested in public-private partnerships with other stakeholders, using their infrastructure?

Has your fleet used alternative fuels before? Which ones?

Would you like to learn more about working with Mid-America Green Fleets to help plan for alternative fuel/fleet optimization opportunities?
